General Cabell:

[REDACTED]

Mr. Wisner:

a. Noted a decision was still pending on what action should be taken respecting the "McCarthy List". The Director stated he wanted the opportunity to think this one over a little longer and asked that it be discussed at the Deputies' Meeting on Monday, 4 May.

Mr. Amory:

a. Reported that in a recent election in British Guiana the Communists had won 18 out of 24 seats in the House of Assembly.

b. Raised the question of appropriate DD/P Division Chiefs participating in discussions with the Board of National Estimates in the preparation of estimates pertaining to their areas. The Director stated that such a procedure would be beneficial to the Board and the Division Chief concerned, provided that he would act as a non-voting member of the Board with the privilege of tabling a dissent if necessary for the consideration of the DCI and/or DDCI. After some further discussion, Messrs. Wisner and Amory undertook to prepare a paper on this matter for the approval of the Director.
